

Bank Sohar Supports the Fight against Breast Cancer

Bank Sohar Helped Raise Awareness with the National Association for Cancer Awareness

Muscat, 1 November: Bank Sohar participated in the 7th Annual Walkathon in Muscat for the third year in a row under the patronage of Dr. Ahmed Al Saidi Under Secretary Ministry of Health in an effort to raise awareness in the fight against breast cancer.

The National Association for Cancer Awareness “Together We Care” campaign is a global initiative educating the Oman public about detecting the early signs of breast cancer that can ultimately save many lives. The walk started from the Ministry of Justice and ended by the Ministries round about.

DGM HR & Corporate Support, Munira Abdulnabi Macki said: Bank Sohar is delighted to be part of this successful event as part of its continuous commitment towards encouraging staff to socialize with people, help in raising the awareness against breast cancer and to build a closer bond of friendship outside of the day to day working environment.”
