

## **Bank Sohar Celebrates with Saham Football Club**

It was time for felicitations in Saham as the 'Blues' of the Saham Football team came home to celebrate their resounding victory in His Majesty's Football Cup that concluded recently. Bank Sohar joined in to welcome the winning team to their home base and to give them a fitting reception for their first victory in the prestigious tournament.

A large tent in front of the Bank Sohar branch served as the venue for the celebration programme. The members of the team arrived to a tumultuous welcome and did a victory walk to the venue. They were greeted and cheered all along the way by friends, fans and well wishers of the team all eager to share in the victory that the team had brought for Saham. Prominent citizens of the area, customers and hundreds of residents of Saham were present to participate in the reception to the winning team. Both customers and guests were able to mingle with the members of the team and offer their congratulations to the players in person.

A representative from the bank welcomed the gathering and informed the audience that they were privileged to support a team from Saham that had worked to excel and performed so creditably and to host a reception to honour their performance and success. The Bank presented the members of the winning team with mementos of appreciation for their winning performance. The Chairman of the Saham Club delivered a speech to thank Bank Sohar for their encouragement and support for the team. The speech followed by entertainment activities throughout the celebration to entertain the invitees.

Before the close of the victory celebrations, the Wali of Saham HE Sheikh Khalaf Bin Salim Al Ishaqi, along with the players conducted the Bank Sohar December 10<sup>th</sup> prize draws. They selected the 13 winners – one customer from each of the Bank's 13 branches who won a sum of RO 1,000 each. The celebrations came to a close with lunch served at the venue for the members and officials of the team and invitees.
