

## **Cancer Awareness Walkathon**

Bank Sohar responded to the call of the National Association for Cancer Awareness and sponsored the 5<sup>th</sup> Annual National Association for Cancer Awareness Walkathon held recently. The Walkathon which was open to everyone was well attended and covered a distance of four kilometers in the Ministries area in Al Khuwair. “We are indeed happy to have an opportunity to associate with a non-profit NGO in their mission to create awareness about cancer,” said Nani B. Javeri, CEO Bank Sohar, just before the walk was flagged off. “Oman needs dedicated and continuing efforts to raise awareness about cancer and to educate the public about the advantages of regular tests and medical examinations that can lead to timely intervention, treatment and remission of the disease. With the creation of awareness, the perceived effects of cancer can be altered both for the patient and the entire family of the patient. As a new Bank we feel socially responsible to provide support for this cause”

A large contingent of senior managers and staff of Bank Sohar attired in the special Walkathon T-Shirts was present on the occasion and actively participated in the walk. “This is the least we can do for such a worthy cause,” said a member of the staff.
