

Bank Sohar at Career Fair

Bank Sohar participated in the Career Fair organized by the Majan University College recently. The Bank's presence at the Fair was an endorsement of its continuing intent to present opportunities and careers for young Omani nationals. The Bank's rapid growth has given rise to many career openings for young Omani professionals at different levels in the Bank.

“We are constantly on the look out for young Omani professionals who are keen to pursue a career in the banking industry in Oman and who would be happy to join Bank Sohar's team,” said Munira Abdulnabi Macki, DGM Human Resources & Corporate Support. With our network expansion, our resource requirement trends are set to continue. By being present at the Career Fair, we have been able to meet and interact with several potential candidates. Our objective as an employer is to be the first preference for young Omani professionals”
