Bank Sohar carried forward the season of giving with a donation to the Oman Association for the Welfare of Children – Autism Center. Dr. Mohamed Abdulaziz Kalmoor, Chief Executive Officer – Bank Sohar shared the news of the donation after the Bank completed delivery of Ramadan provisions to 1,000 families in different parts of the country. “Bank Sohar has embarked on a programme of sharing during the Holy Month of Ramadan and this will continue throughout this blessed month. We all know that the awareness of the disorder, its diagnosis and therapy are relatively new concerns and communities need to aid families who need assistance to cope with this disorder.”

Mazin Mahmood Al Raisi, AGM Marketing & Publicity handed over the Cheque to officials at the Center and mentioned that Bank Sohar’s gift will serve to meet some of the specific necessities at the Center. “Throughout this month of sharing, we plan to give and hope to stand as role model. By doing this, we hope that more donors will queue up to aid and share with the less fortunate. This also coincides to fulfilling the social commitment made to the community by the Bank”.

Humood Hamed Al Hussany, Deputy Chairman of the Association accepted the donation on behalf of the Center. “We want to convey our thanks to Bank Sohar for the help which was given to the Center with spontaneity and speed. Providing care and education for children with autism disorder places many challenges; both on families and on caregivers. Voluntary donations like this go a long way in bringing affected children back into the main stream of life.”
