

Bank Sohar Participates in Annual Ramadan Football Tournament Organized by Oman Refineries and Petrochemicals Company

Bank Sohar is once again participating in the Annual Ramadan Football Tournament organised by Oman Refineries and Petrochemicals Company LLC. This year, there are twenty four teams from clubs and private sector companies competing in the tournament. In their opening match the Bank Sohar team held Al Hurrayah to a goal less draw.

The Annual Ramadan Football Tournament is an annual event where some of the best teams and football players in Oman compete for the top honours. Bank Sohar is back at this year's tournament to defend their title and hopefully re-emerge at the top of the table. The Bank Sohar team claimed the 2009 Championship and the team also bagged three coveted honours – for the Best Team, Badr Al Hamdani as Best Goalkeeper and Moosa Dugheshy as Top Scorer. It is going to be a touch challenge to retain the first position but the team is determined to defend and keep the title.

“We are once again thrilled to be backing the Bank's football team and giving them all the support that they need to be in the Annual Ramadan Football tournament,” said Ms. Munira Abdulnabi Macki, DGM - Human Resources & Corporate Support – Bank Sohar “It takes persistence and hard work to emerge at the top and even more of it to defend and retain the honours. Our team has the full support of the Bank; our staff will be there to encourage and cheer them and we wish them well as they begin their second quest for the title.”
