

Bank Sohar to the aid of Al Khuwair Orphanage Center

As a part of the Bank's corporate social responsibility programme, and based on a study of organisations in the field of charitable work in Oman, Bank Sohar has identified the Al Khuwair Orphanage Center to receive a donation from the Bank. Few residents of Oman are aware that right in the heart of the capital area there is a home that provides housing, education and foster care to nearly a 150 minor children of different ages. The Orphanage Center comes under the ambit of the Ministry of Social Development.

“Bank Sohar's assistance to the Orphanage Center will complement the resources now available to children at the Center,” explained Mr. Khalfan Rashid Al Taley – DGM Retail Banking “The Bank's donation will focus on the little extras that bring joy and happiness to children anywhere in the world. It will help provide equipment and facilities that will light up the lives of children and are prized by children everywhere. Our intent is to help these children gain access to and enjoy advances in technology and to use equipments and gadgets that are popular with young people living with their families. Through our involvement, and with this gesture, we also hope to create awareness among people about the existence of such an organization that is rendering service to children.” On behalf of Bank Sohar Mr. Khalfan Rashid Al Taley – DGM Retail Banking handed over the donation cheque for support to Rashid Al Mamary – Supervisor on the Residence of the Orphanage Center.
