Bank Sohar organised a Strategic Business Planning Meet for the staff of the Retail Banking Division recently at the Al Nahda Resort & Spa. Retail Staff from the capital area and the Batinah branch network came together to take stock and plan ahead. Khalfan Rashid Al Tal'ey DGM – Retail Banking – Bank Sohar, presided over the Meet. He welcomed the staff and expressed his thanks to them for their dedicated efforts during the Year 2009. Their efforts he said had resulted in the Bank reporting a net profit of RO 8.022 million in the year 2009.

“A retreat away from the routine work scene provided the ideal environment for the Retail Team to meet, discuss and plan their strategy,” said Al Tal'ey. He made a presentation to the Team on the performance of the Retail Banking Unit, the strategies for 2010 and the challenges that go with it. Al Tal'ey emphasised the need and the importance of nurturing and consolidating the culture of excellence within the Bank. He informed the Team that the Bank has now been in existence for the past three years and has reached a turning point in its growth. “We have a long road ahead and we need every member of the Team to pull together as one Unit to achieve the Bank's objectives and common goals.”
