

More Customers Win Bank Sohar's Shopping Vouchers

With the growth in Bank Sohar's branch network and the opening of the bank's branches in Sur, Salalah, Ibra and Athaiba, there are now more winners every month in the lucky draws for the Al Mumayaz Savings Scheme 2008. The July draw for the Shopping Vouchers selected nine winners to receive the prizes. This draw was held as a part of the formal inaugural ceremonies of the newly opened branch at Sur. His Excellency Hilal bin Humood bin Ali Al Busaidi, Wali of Sur presided over the inauguration and the prize draw. The Chief Guest announced the names of the winners at the branch to an audience that had gathered at the branch for the inauguration.

The coveted Shopping Vouchers are worth RO 250 every month and are available for the whole year. When Bank Sohar launched the Scheme there was a guarantee given to participating customers that there would be one winner per branch every month. With each month, the number of winners has gone up. With the addition of Athaiba and Ibra there were seven winners. Now thanks to the addition of the Sur and Salalah branches, there are nine winners. All of them have walked away with the Shopping Vouchers content in the knowledge that this monthly bonus will help them meet the increase in cost of living. It will also allow them to indulge in a few luxuries that can now be billed to the Shopping Vouchers. Winners of the Shopping Vouchers have the facility to use their vouchers either at the Safer outlets in different locations in the country, or at the Muscat City Centre.

The nine lucky winners for the month of July are: Karima Salim Saif Al Harthy, B. M. Al Manthary, Taif Talal Salim Al Shukaili, Ali Salim Said Al Shibli, S. M. Al Wahaibi, Rajab Ali Abdul Rahim Al Bulushi, Talal Hussain Salim Barham, (Warathat) Khamis Saleem Al Ghilani; one of them preferred to remain unnamed. "In March this year, we had just five winners who received the Shopping Voucher prizes. In a span of four months, with the increase in the branch network, the number of winners has almost doubled. The August draw which will include all our nine branches will also select nine winners – one from each of our branches," said Khalfan Rashid Al Tal'ey, DGM, Retail Banking. "This translates to more chances for our customers to win Shopping Vouchers."
