

Bank Sohar lends support for Grand Musical Evening

Bank Sohar lent support for a grand musical evening *Rajanigandha* held at the Le Grand Hall of Al Falaj Hotel. The event that is now in its third year featured the famous Indian playback singer, M.G. Sreekumar along with a group of young and talented local artists. The organisers of *Rajanigandha* also honoured Muscat's renowned music mentor, Ustad Khalid Anwar Jan. Le Grand Hall of Al Falaj Hotel was packed with music aficionados who enjoyed the performance of popular classical songs, semi-classical melodies and film songs and in different languages.

“We first lent support to the music programme *Rajanigandha* soon after the Bank opened for business in 2007. In 2008 we again supported this entertainment programme. This year we are back to lend a helping hand that will enable music enthusiasts in Oman to enjoy a live performance by a leading singer. “This community evening provided a splendid opportunity for Bank Sohar to reach out to a segment of the expatriate audience. The Bank has an entire suite of products that are of interest to this group. They include our choice of credit cards now available with the promotional offer of 0% interest for the first three months and our savings schemes with the unbeatable prize of two cars every week to one winner and our bumper prize draws scheduled for the end of June,” said Salim Khamis Al Maskri, AGM Branches. The *Rajanigandha* M.G. Sreekumar programme is to be telecast by an Indian television channel.
